Departures

**Castle of Pavone is one of the most beautiful Italian monuments and it is considered one of most scenic and fabulous castles in the world. Between the historical and powerful walls, you will find the marvellous Noble Courtyard with the suggestive Fountain of the Mysteries, the rooms and the halls of an incommensurable beauty and the luxuriant medieval park. The castle sits majestic on the top of a village by offering a panorama of great beauty. It is considered a lucky Castle thanks to its history; someone says that it transmits luck, love and prosperity to all those who stays there, even for short periods.*
